Helping protect small business from online threats

Cyber Wardens is an initiative of the Council of Small Business Organisations of Australia, supported by the Australian Government and an industry alliance led by Telstra and CommBank.

Cyber Wardens

A Cyber Warden has built a set of skills to help protect their business.

They can:

- ✓ Identify and protect important and sensitive business information and data
- ✓ Take the simple and effective steps to defend against digital break ins
- ✓ Spot common tricks and scams hackers use to attack small businesses
- ✓ Promote cyber safety in their own team or business
